

Sumo Presents:

# How To Write Cold Sales Emails

A complete checklist for writing amazing cold sales emails (and how to respond when things don't go so well).

# The 4 Truths Behind Cold Sales Emails

## Truth #1: Set Goals

- ☐ Know your revenue target (and then work backwards)
- ☐ Target the right people, then categorize them
- ☐ Know how many emails you're willing to send
- ☐ If you're small, don't automate. Find what works first.

## Truth #2: There Are 5 Steps To Writing Amazing Cold Emails

- ☐ Stand out and make it informal/short
- ☐ Make your subject line a question
- ☐ Get personal and bond over shared interests
- ☐ Help, don't sell (make it about them)
- ☐ Make the call to action simple and straightforward

## Truth #3: People Won't Respond. Here's How To Change That

- ☐ Be persistent -- 6-10 touches overall
- ☐ Don't say the same thing in every email -- change it up
- ☐ Have read receipts to see if people are opening
- ☐ Ask for feedback and fix what doesn't work

## Truth #4: You'll Get Negative Replies (But That's Ok)

- ☐ Ask a question related to their response
- ☐ Listen
- ☐ Remove objections
